Röko acquires a majority of Dorsey

Röko has agreed to acquire a majority of the shares of Dorsey Construction Materials Ltd (Dorsey), a leading regional brickwork specialist supplying niched construction accessories. Dorsey is located in Reading and focuses on distribution to its customers across the South of England. Dorsey has revenues of approximately MGBP 20.

Dorsey was established in 1992. Howard Bird, 49% shareholder, has been the MD since 2006 while Philip Clough, one of the initial founders and 51% shareholder, has been the chairman. Post-completion, Howard Bird will continue as MD and 15% shareholder and Philip Clough as a 5% shareholder. Both will continue as members of the Board of Dorsey.

The investment in Dorsey is Röko's 19th since the company was founded and represents the seventh investment in the UK.

Please visit www.dorseyconstructionmaterials.com for more information regarding Dorsey and www.roko.se for more information regarding Röko. If you have any questions, please contact:
